

# The ZinCenter, Single

Makers of NuCrete™  
The World's Only Stainless Concrete

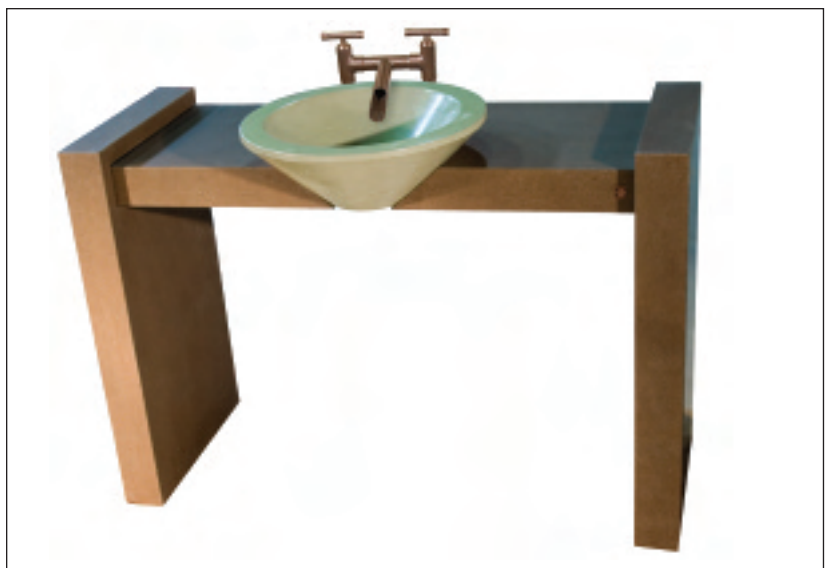

Our ZinCenter bridges the gap between the restful, Asian Zen experience and the vibrant "Loft Look".

When we put our Zinfandel VesselSink in front of the Sonoma Forge WaterBride faucet (shown), the ZinCenter almost invented itself.

The concrete legs, countertop and bowl make this a complete bathroom vanity. No cabinetry or walls are required. The single bowl P-Series (shown) is 37" wide. Multiple units of up to 6 units can be made to comply with commercial requirements. Custom-made in over 100 colors, the sink, top and legs can be made in the same color or in contrasting colors. The idea of setting the bowl "proud" can be extended to our other VesselSinks.

### • DESCRIPTION • FACTS

The Standard ZinCenter is a modern "Loft Design" free standing countertop vanity with matching concrete legs. The unit supports our Zinfandel VesselSink™ (p15), thus the name in either the same or contrasting color.

The same design is offered as a master bath double vanity (p21).

Special plumbing is available from Sonoma Forge or others that will allow the P-trap to move to the rear or to be hidden in a wall access panel. Faucets may be deck or wall-mounted to your specifications.

The unit ships flat and requires minor assembly.

Classic Concrete (diamond-sanded, sealed & waxed) or Stainless Nucrete™ 24 standard colors. See: [www.sonomastone.com](http://www.sonomastone.com), catalog or techbinder. Custom colors available. Order samples online, or call 877-283-2400 x113.

Self-supporting. Some assembly required, bolts included.

Drain hole fits most 1-1/4" standard drain assemblies (not included).

For UPC (IAPMO) listing, see Appendix, p08-10.

Approximate Weight: 418 lbs / Crated 615 lbs

# The ZinCenter, Double

Makers of NuCrete™

### • DESCRIPTION

The ZinCenter is a modern "Loft Design" free standing countertop vanity with matching concrete legs. The unit supports two of our Zinfandel VesselSinks, thus the name (p15) in either the same or contrasting color. The same design is offered as a master bath single vanity (p09).

Special plumbing is available from Sonoma Forge or others that will allow the P-trap to move to the rear or to be hidden in a wall access panel. Faucets may be deck or wall-mounted to your specifications.

The unit ships flat and requires minor assembly.

### • FACTS

Classic Concrete (diamond-sanded, sealed & waxed) or Stainless Nucrete™ 24 standard colors. See: [www.sonomastone.com](http://www.sonomastone.com), catalog or techbinder. Custom colors available. Order samples online, or call 877-283-2400 x113.

Self-supporting. Some assembly required, bolts included.

Drain hole fits most 1-1/4" standard drain assemblies. (not included)

For UPC (IAPMO) listing, see Appendix, p08-10.

Approximate Weight: 592 lbs / Crated 792 lbs

# The Zinfandel VesselSink™

Created in the wine country, we could not resist naming our delightful VesselSinks™ after our favorite varietals.

Inspired by old English washbasins, these striking sinks combine strength, durability, and mottled, earthy colors with an incredibly smooth, glassy finish. The bowls are designed and finished to be exposed above the counter surface. All are perfectly round and will recess into a counter at any height.

Each sink is hand-crafted from all-natural materials, and has its own unique personality. The Cabernet, Merlot and Zinfandel are generously designed for the master bath. The Chardonnay and Petit Syrah are scaled-down for smaller bath rooms.

Visit [www.sonomastone.com](http://www.sonomastone.com) to see photos of this and other products.

### • FACTS

Pre-cast Concrete VesselSinks™, designed to sit above the countertop, partially recessed, or recessed.

Drain recess accommodates most standard drain assemblies. Drain hole accommodates most 1-1/4" standard drain assemblies. (not included)

Optional Sonoma Cast Stone stands (p16-17) incorporate concrete countertop with pre-cast holes for drain and faucets in smooth or distressed hardwood finishes, (stained or unstained options) or powder-coated metal.

Visit [www.sonomaforge.com](http://www.sonomaforge.com) for tall deck-mounted faucets designed to compliment our VesselSinks™.

Classic Concrete (diamond-sanded, sealed & waxed) or Stainless Nucrete™ 24 standard colors. See: [www.sonomastone.com](http://www.sonomastone.com), catalog or techbinder.

Custom colors available. Order samples online, or call 877-283-2400 x113.

Can be mounted above the countertop, semi-recessed, fully recessed, or on a stand. Specially designed metal or wood stands sold separately.

For UPC (IAPMO) listing, see Appendix, p08-10.

Weight varies. (Boxed for UPS Shipment, included)
