Custom CounterSinks, Rectangular w/Slot Drain

Designs ©2007 Sonoma Cast Stone Corp. All rights reserved.

Visit www.sonomastone.com to see photos of this and other products.

• DESCRIPTION

Custom cast concrete countertop to your specification with integral rectangular sinks. Allows for constant drainage without soap build up or standing water areas.

Slot drain replaces traditional drain assembly, so there is no visible hardware. Can be specified to accept multiple deck or wall-mount faucets. Standard size sinks shown in chart above.

Custom size sinks also available.

For example drawing of integral sink in countertop, see (p25).

• FACTS

Classic Concrete (diamond-sanded, sealed & waxed) or Stainless Nucrete™. 24 standard colors. See: www.sonomastone.com, catalog or techbinder. Custom colors available. Order samples online, or call 877-283-2400 x113.

Optional Back and Side Splash available.

Faucet Holes optional. May use deck-mount or wall-mount faucets. The slot drain couples to conventional 1-1/4" drain assemblies. May be cabinet or wall-mounted.

Aprons up to 8" available. Allow for thickened front apron on counters spanning more than 36" unsupported.

Allow min. 3" counter ea. side of sink and min. of 5-1/2" counter at faucet side of sink for deck-mount faucets.

For UPC (IAPMO) listing, see Appendix, p08-10.

Weight varies by design.
