## P-Series ZinCenter P-ZIN

Designs ©2007 Sonoma Cast Stone Corp. All rights reserved.

Visit [www.sonomastone.com](http://www.sonomastone.com) to see photos of this and other products.

### • DESCRIPTION

The Standard ZinCenter is a modern "Loft Design" free standing countertop vanity with matching concrete legs. The unit supports our Zinfandel VesselSink™ (p15), thus the name in either the same or contrasting color.

The same design is offered as a master bath double vanity (p21).

Special plumbing is available from Sonoma Forge or others that will allow the P-trap to move to the rear or to be hidden in a wall access panel. Faucets may be deck or wall-mounted to your specifications.

The unit ships flat and requires minor assembly.

### • FACTS

Classic Concrete (diamond-sanded, sealed & waxed) or Stainless Nucrete™. 24 standard colors. See: [www.sonomastone.com](http://www.sonomastone.com), catalog or techbinder. Custom colors available. Order samples online, or call 877-283-2400 x113.

Self-supporting. Some assembly required, bolts included.

Drain hole fits most 1-1/4" standard drain assemblies (not included).

For UPC (IAPMO) listing, see Appendix, p08-10.

Approximate Weight: 418 lbs / Crated 615 lbs
