• DESCRIPTION

Custom cast concrete Fireplace Surround & Hearth to your specification.
 This drawing and hundreds of variations may be cast in all concrete with subtle color change or in a combination of mild steel and concrete.
 Other variations including wood storage racks, sliding fireplace screens, tool racks are available.
 Please fax drawings, concepts, and dimensions for a detailed estimate.
 Available in a variety of surface finishes.

• FACTS

24 standard colors. See: www.sonomastone.com, catalog or techbinder.
 Custom colors available. Order samples online, or call 877-283-2400 x113.
 Available in Classic Concrete in a variety of surface finishes including;
Mold Release: finish remains as is it when "released" from the molds.
Rustic: (Holes are unfilled, surface is lightly acid washed)
Acid Etched: (Holes unfilled, surface is acid etched).
 Colors will vary according to surface finish.
 For mounting applications, we recommend adhesive to level the substrate & plumb wall.
 Height and Width are flexible as indicated. Minimum thickness of 2".
 Weight varies by design.
